Merry Christmas Everyone!!

The snow has arrived along with an out right refusal of hens to lay eggs! So unfortunately for right now, there are no fresh eggs to be had. Once we have them all warm and happy we are sure they will start again. We will let you know when that happens.

We still have turkeys available for Christmas. Our next Delivery date is the **18th** of December so put your order in and we will bring it then. There is still time to order smoked turkeys and chickens for your Christmas dinner as well, if you place your order this week we will still have them ready in time for next Saturday. The pre-order for chickens has all been filled and we still have **plenty** of whole chickens and legs/ thighs.

WE HAVE LAMB

Right now it looks like we should have lamb available until mid February. But we would suggest ordering now to ensure getting all that you need. If you have a pre-order in for lamb send us a reminder; we know there are a few of you who have been waiting awhile.

What's New!

We have been having some fun making **PATE**. We have had the pleasure of some French visitors and they have spent a lot of time talking about food culture and what reminds them of home. From this has come one great recipe for pate. Pastured pork liver and fresh spices make the pate a special treat. We are selling it in small glass jars for \$6.50lb. We have a lot of visitors from around the world come to our farm; making food that reminds them of home is something we are very proud of.

For the month of December we are offering half and whole beef at \$3.40lb. Any beef ordered from now until December 31st will get this price. Most beef will not be delivered until January. Email us and we will discuss the details.

January Delivery days are the 8th and the 22nd

We hope your holidays spent with family and friends are special and wish you all the best in the new year!
